Edellyn Farms -

31st Annual Sale

Monday, June 4, 1956

Thomas E. Wilson, Owner

And the evidence continues to pile up . . . providing conclusive proof that Beaufort Bulldozer is the sire of the day. These two daughters won the grand championship and the reserve grand championship at the 1956 National Western Livestock Show in Denver. At the left manager Fred McWilliam of Edellyn Farms holds Fontana Clipper 2nd, the grand champion exhibited by Joseph Zuro, Fontana, Wisconsin. At the right, Harry Ackerman, veteran herdsman at Edellyn Farms holds Edellyn Dorothy 24th, the reserve grand champion exhibited by Edellyn Farms. In the background are Allan C. Atlason, secretary, and Major H. H. Allen, president of the American Short-horn Breeders' Association. The get and service of Beaufort Bulldozer will be a feature of this sale.

SALE TO BE HELD AT
EDELLYN FARMS
Wilson, Illinois
MONDAY, JUNE 4, 1956
Starting at 12:30 P.M.
Central Standard Time

EDELLYN

**Nowhere can you find
greater assurance of
future dependability**

They sold in our 1955 sale and went to the famous herds owned by Avenel Farms in Maryland, R. E. Smith in Texas and Walter Dilatosh in Tennessee.

New great blends of blood that have been added to the Edellyn Herd in recent years have resulted in an offering for the **1956 Edellyn Sale, June 4, at the farm**, that will make it the most important event in the history of this famous breeding establishment. This year, for the first time, the calves by the noted **Beaufort Bulldozer** will be offered in numbers. Fifteen of his sons and daughters are to be sold; numerous other beautiful heifers will be forward in calf to his service.

Added to these will be a wonderful group of females carrying the mating of imported **Balbithan Emperor** and **Louada Grand Duke**, excellent young stock bulls that have been added during the last year.

To those who are looking for the ultimate in potency, Edellyn is your never failing source of supply. Back of each animal is the kind of ancestry that will insure continuous improvement.

Our
31st
Annual Sale

I always look forward to the first Monday in June with a lot of pleasure, for it not only is the day when we divide the best of our yearly production, but also the time when our Shorthorn friends honor us with their presence at Edellyn Farms.

For 31 consecutive years, uninterrupted by changing economic conditions, Edellyn has held its annual Shorthorn Sale. This is probably a record that can be matched by no other purebred herd of any breed. Over 1151 cattle have been sold through these auctions and it is a matter of great satisfaction to us to have such conclusive proof that they have improved beef cattle in general and the Shorthorn breed in particular.

This is your sale as well as ours. We are proud that all of you feel a co-ownership with us in the things that make Edellyn. On sale day you will join the most discerning cattle audience in the world. These people judge Edellyn cattle by standards apart from any other. We know this stems from a feeling that you have a real stake in what goes on here. We shall do our utmost never to disappoint you.

We urge you to try to arrive on the day prior to the sale so that an inspection of the herd will be possible and so that we may have a better opportunity to become acquainted with you.

Thos. E. Wilson

Everyone agreed that the Shorthorn Show at the 1954 International was the strongest in the history of the breed . . . and working their way to the top were the first two calves sired by Beaufort Bulldozer that were born in this country. Nothing could stop them. The bull was named grand champion and Supreme Champion of the show. The heifer went on to win the female grand champion. Never before have a son and daughter of the same sire, both junior calves, won BOTH championships at the great International Live Stock Exposition.

Edelyn Clara Belle 3rd, bred and owned by Edelyn Farms, grand champion female, and Ringwell Lodesstar, bred and owned by Ringwell Farms, grand champion bull of the 1954 International. Both sired by Beaufort Bulldozer.

General Sale Data

SALE TO be held on Edellyn Farms on Monday, June 4, 1956, at 12:30 P.M., Central Standard Time. Lunch will be served at the farm.

Edellyn Farms are located in Lake Co., 2 miles west of Waukegan and North Chicago city limits and are bounded on the north by Routes 120 (Belvidere Road), on the east by U.S. 41 (Skokie Highway) and on the west by Route 42A, on which will be found the entrances. Also 3 miles north of Route 176, and 40 miles north of Chicago Loop on U.S. 41.

Those coming by train from Chicago, take the Milwaukee train on the Skokie Valley route, or the Chicago, North Shore and Milwaukee Electric at Adams & Wabash Street Station, every hour on the hour to North Chicago Junction. Time of trip 55 minutes. Conveyance will be provided to the farm.

All cattle sold under standard guarantee endorsed by American Short-horn Breeders' Assn. Certificate of registry and transfer will be furnished with each lot sold. Herd is Federally Accredited for T.B. under certificate No. 130053. Every animal has been blood tested for Bangs within 30 days of the sale. We have practiced calfhood vaccination for 20 years.

Those unable to be present may send buying orders to Hal Longley, Mervin Aegerter or Don Longley of the Shorthorn World, Allan C. Atlasson, Clem Larson or Ted Aegerter of the American Shorthorn Breeders Ass'n., Clint Tomson of the firm of Harding & Harding, or to the auctioneers or field-men. Late bids may be sent to any of the above men in care of the telephone Majestic 31467, Waukegan.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

Hotels Karcher and Waukegan in Waukegan and Congress in Chicago are headquarters. There are several fine motels close to Edellyn Farms if you prefer such accommodations. We will be happy to assist in making reservations.

Auctioneers—J. E. Halsey and C. D. Swaffar.

Farm Phone—Majestic 31467—Waukegan, Illinois.

—Herdsmen—

HAL LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Illinois.

Best ten head at the 1950 International and National Shorthorn show, exhibited by Edellyn Farms.

Consistency is the measure of performance by which any breeding herd must be judged. Think of the parade all the Edellyn show cattle through the years would make. It's a potent pattern you can count on to put your herd on top.

Consistency -

Edellyn's first prize winning ten head group at the 1954 American Royal.

The Edellyn herd is large enough to share its top quality with others. This picture was taken last year. The heifer on the extreme right and the heifer in the center sold, the other three were put back in the herd.

The ability to perform properly is bred into Edellyn Shorthorns

Once each year for a third of a century we have all been invited to Edellyn to study the great Shorthorn herd maintained by Mr. Thos. E. Wilson on his internationally famous farm and to appraise the year's productions. Because of the inward feeling of pride we all hold toward this herd, we have viewed the Edellyn operation through critical eyes, ready to find fault if there was the slightest reason. Always we have left with the feeling that progress at Edellyn is constant and that the Edellyn program is one we may follow with perfect safety.

It seems almost incredible that any herd that has reached the top in intrinsic excellence and public estimation could continue to improve year after year. Yet Edellyn Shorthorns have done just that and the 1956 sale offering is a reflection of that improvement. The answer lies in the fact that throughout the entire life of this herd only the tops of the breed have been placed in production and only those that have proved their ability to produce calves of superb type and quality have been retained after trial. It is through such skillful matings that the outstanding cattle listed in this catalog have been produced. That they will reproduce unfailingly for their new owners is certain because the ability to do so is bred into them.

HAL LONGLEY
of the Shorthorn World

In Polled Shorthorns, too . . .

the introduction of Edellyn blood has resulted in top show winners. On this page are shown the two groups that placed highest at the 1955 International. Sixteen of these trace directly to Edellyn breeding. These two groups include five championship winners, seven first prize winners in individual classes and six firsts in group classes.

Best 10 head of Polled Shorthorns, 1955 International, exhibited by Lynnwood Farms, Carmel, Indiana.

Each year we are happy to see at the Edellyn sale an increased number of Polled Shorthorn breeders. They have purchased a number of our top animals. Study the top sale and show winnings and see how many of the best Polled Shorthorns descend from cattle purchased at Edellyn by progressive Polled Shorthorn breeders.

Second best 10 head of Polled Shorthorns, 1955 International, exhibited by Ray and Gerald Clodfelter, Greencastle, Indiana.

Ohio's Leader 2nd, grand champion steer over all breeds, 1952 International Live Stock Exposition.

Granddam: Ridgewood Lavender by Edellyn Goldfinder.

THREE INTERNATIONAL GRAND CHAMPION STEERS OVER ALL BREEDS IN TEN YEARS

*Two sired by Edellyn bred bulls . . .
one sired by a son of an Edellyn bred bull*

1945 . . . TOMAHAWK . . . a son of Edellyn Grand Command.

1947 . . . BIG BOY . . . by Mercury's Aspiration, a son of Edellyn Campeon Mercury.

1952 . . . OHIO'S LEADER 2nd . . . a son of Edellyn Royal Leader 83rd.

ANOTHER EDELLYN UNEQUALLED RECORD

It is just as essential that a herd be composed of superior cows as that impressive sires be placed in service. The females at Eddlyn have been selected with the same determination to utilize only the best as was devoted to the herd bulls.

For forty years Edellyn has worked to perfect a pattern. Regardless of which Edellyn sire is used, the pattern is consistent. These five beautiful heifers are sired by three different Edellyn herd bulls. In the sale a year ago they were purchased by such critical buyers as Raymond Stewart of Kentucky, Glen Kietzman of Illinois, R. E. Smith of Texas, and David S. Graham of Ohio.

A word about performance tests

Performance tests are the demand of the day. They are recommended by all experts as the safest guide in the selection of correct seed stock.

Do you realize that performance tests are nothing new for Edellyn Short-horns? Such tests have been going on all over North America year after year in the herds of hundreds of breeders who have bought Edellyn bulls and females. There is an Edellyn performance test in some herd near you. If you will visit this herd you will find the test to be convincing. And if you will visit a lot of such herds, you will find that those who have made use of Edellyn blood have gradually worked toward positions of leadership in the production of prize winners and top sellers.

Edellyn has perfected a consistent winning pattern. This pattern, locked into Edellyn productions over a period of forty years of breed leadership, carries its prepotence into the productions of Edellyn customers.

The descendants of Edellyn sires are sought after by good cattlemen everywhere. With the knowledge that calves by Edellyn bred bulls consistently sell at the top of state and national sales, the Edellyn buyer can invest with greater confidence of return.

Because Edellyn bulls and females accomplish so much for their owners and the investment can be spread over so many descendants, the original price seems insignificant.

Edellyn Royal Leader 185th. First prize senior bull calf 1954 Wisconsin State Fair, first and reserve junior Champion at Iowa, and a member of the first prize pair of calves at the American Royal, second prize pair at the International. Sire Edellyn Royal Leader 114th. He was purchased in the 1955 Edellyn sale at \$1500 by Johnson Bros., Atlantic, Iowa.

The junior get of sire by Edellyn Royal Leader 114th. First at Iowa, Wisconsin, and the American Royal in 1954.

Edellyn Princess Bobbie. First prize senior heifer calf at the 1954 American Royal, and reserve senior champion at Denver in 1956. Sire, Edellyn Royal Leader 114th. She will be retained in the Edellyn herd.

Above—The grand champions of the 1951 American Royal, Edellyn Royal Leader 114th and Edellyn Princess Royal 27th. Both are out of Edellyn-bred females and both are sired by Edellyn Royal Leader 23rd.

Left—Edellyn Choice Mercury. At the 1954 shows he was first at Iowa; first and reserve junior champion, American Royal; and third in class of 24 at the International. Sire, Edellyn All-Star Mercury. He was purchased in the 1955 Edellyn sale by R. Y. Secord & Son, Winterburn, Alberta, at \$7,000, top price of the sale.

Right—Edellyn Royal Leader 189th. First prize junior yearling at Wisconsin, Iowa, and the American Royal in 1954. Sire, Edellyn Royal Leader 114th. He was purchased in the 1955 Edellyn sale by Herman Alber, Dixon, Illinois, at \$3,000.

BEAUFORT BULLDOZER

FAMOUS AS A SIRE ON TWO CONTINENTS

Seven sons sold at auction in Scotland have averaged \$7900.

His first son calved in North America was the 1954 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1954 International grand champion female.

Two of his daughters won the grand and reserve grand championships at the 1956 Denver Show.

This is the first year his calves have been offered in numbers. The 1956 Edellyn sale will contain five sons and nine daughters of this world famous sire and other outstanding females will carry his service.

The Bulldozer type is the modern type...

BEAUFORT BULLDOZER—One of the greatest living sires of the Shorthorn breed. He was purchased for \$15,000 from the famous Beaufort herd, where he was used for one season before being shipped to the Edellyn and Almahurst herds. His sons head leading herds in Argentina, South Africa, Australia, and Scotland. Among his most famous sons are Beaufort Brisket, sold to Australia for \$10,800; Beaufort Brave Baron, sold to the Argentine for \$10,200; Beaufort Commodore, withdrawn at \$17,700 from the Perth sale for use at Beaufort; Beaufort Chavelier, sold to the Aldie herd for \$8700. His seven sons sold at auction in Scotland have averaged \$7900. At the Royal Highland, Scotland's leading Shorthorn show, a son won the junior championship, while a son and a daughter won the British cup for the best pair.

His first son born in America, Ringwell Lodestar, as a junior bull calf, won the grand and supreme championship of the 1954 International. His first daughter born in America Edellyn Clara Belle 3d, as a junior calf, won the grand championship of the 1954 International. These were the only two calves old enough to show.

His calves at Edellyn are great . . . his calves at Almahurst are equally great.

Study the pictures on pages 40 & 41 of this catalog

Edellyn All-Star Mercury has sired many of the best calves ever produced at Edellyn. He is producing cattle with scale, substance, bone and good heads. He was grand champion, 1948 Iowa State Fair; first at Ill., Ind., and American Royal. By Calrossie Mercury. Study his record on the opposite page.

THE BULL WE PICKED TO CARRY ON THE MERCURY LINE . . . HIS GET PROVES WE WERE RIGHT.

Edellyn All-Star Mercury—Although Calrossie Mercury sired many great breeding bulls, evidence is beginning to pile up that this bull, whose breeding record is not yet completed, is the best. His progeny includes such famous animals as the \$10,000 record price female, Edellyn Rosewood 65th; the \$15,000 Edellyn Prig Mercury; the \$6100 Edellyn Beauty 32nd; the great show bull Edellyn Bunker Mercury, grand champion of the 1954 Illinois and Iowa State Fairs and the American Royal and Junior champion at Denver. He also sired Edellyn Choice Mercury, first prize and reserve junior champion of the 1954 American Royal, that topped the 1955 Edellyn sale at \$7,000. His daughters are proving to be great breeders. Among other good breeding sons are the \$4000 Edellyn Classic Mercury, stock bull at Almhurst; Edellyn Prim Mercury, owned by Ted Nehring of Texas; Edellyn Polar Mercury, owned by Johan Hegg of South Dakota; and Edellyn Comrade Mercury, owned by Nils Aspaas of South Dakota. Twenty-four of his sons and daughters have averaged \$2,666. Edellyn All-Star Mercury's dam was the famous show cow, Edellyn Flossy Shane 4th. Four daughters sell in the 1956 Edellyn sale.

Right—Edellyn Rosewood 65th established a new record for the Shorthorn breed when she sold in the 1952 Edellyn sale for \$10,000, going to Almhurst Farm. She was sired by Edellyn All-Star Mercury.

Edellyn Royal Leader 149th—This is the bull that we elected to use in order to carry on the Edellyn Royal Leader line. The "149th" is an excellent individual with an impressive show record. He was the grand champion bull at the 1952 Wisconsin State Fair and his sire, winner of a score of championships at major shows, was easily the greatest son of Edellyn Royal Leader. This is the first sale in which the calves by the "149th" have been offered in numbers and if you will study the four sons and two daughters that are to be sold, we are sure you will share our confidence in this great sire. His first calf exhibited won grand championship at the 1956 Illinois Show and Sale.

Balbithan Emperor was purchased at the 1955 Perth sale. He was selected not only for his great individuality and character, but because his background contains many of Scotland's best breeding cattle and recent show winners. Furthermore, there is a close tie-in with the breeding of Beaufort Bulldozer.

Balbithan Bon-Accord was retained as a herd bull by Mr. Stott, being an outstanding son of Cruggleton Bonn, full brother to Cruggleton Pentland Firth, sire of Beaufort Bulldozer. Balbithan Bon-Accord was first and reserve champion of the 1953 Royal Highland show. His dam, Millhills Golden Bud 4th was the reserve champion female at Perth in 1949. She was the first cow purchased by Mr. Stott, for what is now recognized as one of Scotland's most select herds. In 1951 he exhibited her bull calf to the Perth Supreme championship and it sold for 3,000 gns. to Australia. Her bull calf in 1950 made 4,000 gns. going to the Argentine.

Balbithan Emperor has developed wonderfully since coming to Edellyn and we want you to be sure and see him. You will be especially impressed with his character and great head. We will have about ten of his calves by sale day. Look them over and you will have a great desire to own one or more of the beautiful sale heifers that are carrying his service.

Louada Grand Duke—We liked the style, character and type of this bull the minute we saw him and when we found his dam in the Louada pasture, we knew we wanted him at Edellyn. In the opinion of many experts, Millhills Secret 10th is the best cow at Louada and this is saying a good deal. She is a daughter of Ascreavie Democrat and was purchased by Louada at \$3,600, top price of the Birmingham Farms' sale. Louada Grand Duke has all the earmarks of a sire and everything in his ancestry seems to guarantee that he will be one. Several heifers in this sale are carrying his service.

Edellyn Banker Mercury—He is now back in service at Edellyn and we are glad of it. We sold him in the 1954 sale at \$3,150 to Raymond Stewart, Dover, Kentucky. Later that year he won grand championships at the Illinois and Iowa State Fairs and at the American Royal. Because his sire has made such an excellent record at Edellyn and because his imported dam is one of the best cows of the breed, we jumped at the chance to get him back when Raymond Stewart offered to sell him. He is a half brother to such famous animals as Edellyn Prig Mercury that sold at \$15,000 to R. E. Smith of Texas, Edellyn Choice Mercury that sold at \$7,000, top price of the 1955 Edellyn sale, to R. Y. Secord & Son of Alberta, Edellyn Rosewood 65th, the \$10,000 heifer that sold to Almahurst Farm of Kentucky and many others. We have great confidence in Edellyn Banker Mercury and we have calves to justify our confidence.

CRUGGLETON GUTHRIE

Now dead...the last heifers by this famous sire to be offered are in this sale

A group of the first heifer calves dropped at Edellyn and sired by Cruggleton Guthrie.

Cruggleton Guthrie is now dead and all females by him other than the five in this sale are to be retained at Edellyn. Sired by a grandson of Cruggleton Perfect, he was linebred in the blood of one of Scotland's all-time great sires. His calves have made a great record in Scotland, Argentina and the United States. His first son sold at auction brought \$13,200 at Perth. His first three daughters sold in the United States were: Lou Averne, \$5000 top of the 1953 Mathers sale; Princess Moya, \$2050 top selling female of the 1954 Femco sale; and Princess Moira, selected by Colonel Beardmore at the \$2300 second top price of the 1954 Campbell sale.

Three Sons Sold at Auction in Scotland Have Averaged

\$12,400.

★ ★

Three Daughters Sold in America Have Averaged \$3,117.

★ ★

Three Grandsons Sold at Perth in 1955 Averaged \$5,900.

★ ★

A Granddaughter Topped the 1955 Perth Female Sale.

★ ★

One Son, Five Daughters sell in the 1956 Edellyn Sale.

EDELLYN ROYAL LEADER 114TH

Edellyn Royal Leader
114th was one of the most popular Edellyn animals ever to step into a show ring. In three years of competition, he achieved a show record surpassed by few bulls in Shorthorn history. Most important of all, he transmitted his smoothness and perfect form to his calves and they too proved invincible in the show ring. We will not attempt to list all the winnings. Suffice it to say that top judges everywhere agreed that Edellyn Royal Leader 114th and his calves represented the perfect beef type. None of his sons or daughters are listed in the 1956 sale but this does not lessen our pride in having bred and used this great bull.

**Now dead...all the remaining
heifers by him are to stay at Edellyn**

First prize pair of calves at the 1954 American Royal, both by Edellyn Royal Leader 114th. Left, Edellyn Royal Leader 185th, purchased in the 1955 Edellyn Sale at \$1,500 by Johnson Bros., Atlantic, Iowa. Right, Edellyn Princess Bobby, retained in the Edellyn Herd.

ance

Edellyn Bulls are good from the day they are born and through all stages of their lives. This picture, taken a year ago, shows four young bulls sired by Beaufort Bulldozer being readied for the 1956 shows and sales. The two on the outside will be exhibited by Edellyn. The two in the center are Edellyn Bombardier and Edellyn King Robert that will sell as Lots 1 and 11.

Balbithan Emperor is shown above with three daughters of Beaufort Bulldozer that will sell in this sale carrying his service.

And now comes the parade of 1956 sale animals . . . the best in Edellyn history

There is one name that stands out alone in the hearts and minds of thousands of careful Shorthorn breeders. That name is **EDELLYN**.

Each passing year serves to increase this reputation. You will know why when you follow the lead of others who are making use of Edellyn blood-lines.

Edellyn practices calfhood vaccination regularly, hence no mention is made of this fact in the individual descriptions appearing in this catalog.

Edellyn Bombardier

Edellyn Bombardier

We believe he will be a headliner wherever he goes. He was the first prize senior bull calf at the 1955 Wisconsin State Fair and was a second prize winner at the 1956 Denver show. His imported dam has as great a record as any cow in America. Among her other productions is Edellyn Beauty 32nd that was sold in our 1953 sale at \$6,000 to R. E. Smith, Houston, Texas. She also produced the outstanding bull Edellyn Choice Mercury that won many first prizes and sold at the top figure of \$7,000 in our 1955 sale to R. Y. Secord & Son, Winterburn, Alberta. Fortunate indeed will be the new owner of Edellyn Bombardier.

Edellyn Brisket

Edellyn Brisket

One of the most promising herd bull prospects ever offered by Edellyn. He has never been exhibited but with his wonderful head, balance smoothness, heavy bone and full hind-quarter, he could win in very fast company. He is out of one of the best cows in America, she the dam of the famous champion, Edellyn Royal Leader 114th, and the International first prize winner, Edellyn Bonny Rothes 8th. Edellyn Bonny Rothes herself was shown sixteen times in major fairs without defeat in class.

Almahurst Bandmaster

Almahurst Bandmaster

An outstanding son of the Internationally famous Beaufort Bulldozer and out of a cow that many good judges consider to be one of the best ever produced at Edellyn. At \$5,200, she was the top female in the 1948 Edellyn sale when purchased by Almahurst Farms. This bull combines the blood of the Bulldozers, Mercurys and Royal Leaders and he is descended from the same famous family that produced Browndale Count.

Edellyn Lincoln Mercury

Edellyn Lincoln Mercury

A very good prospect for a sire and a bull that can be exhibited with great success. His sire, after topping our 1954 sale, went on to win grand championships at the Illinois and Iowa State Fairs and the American Royal. Because his calves at Edellyn are such comers, we recently repurchased Edellyn Bunker Mercury from Raymond Stewart of Kentucky. The dam, granddam and great granddam of Edellyn Lincoln Mercury were all top winners at the International. You will like the true lines and perfect balance of this bull along with his exceptional hindquarter development.

Edellyn Grandee

This bull is out of the same dam as Lot 5 in this sale. Although short of age to sell to best advantage, he is long on quality and will make someone a great show and breeding bull. This son of Cruggleton Guthrie is out of one of the best producing cows at Edellyn. Aside from the two bulls in this sale she produced a heifer that sold in our 1953 sale at \$4,000 to R. E. Smith of Texas and another heifer that sold at \$3,000 in our 1954 sale to Louada Manor Farm in Ontario. This calf has much to recommend him. He was not broke to lead at the time the photographer visited Edellyn, hence he is pictured with his mother, an excellent cow.

Rich in pedigree and promise are the beautiful heifers at Edellyn Farms. Three of these go back into the herd as replacements. Perfectly molded, they can be expected to carry on the high breeding standards of this great herd. The white heifer will sell in this sale as Lot 30.

What you look for in champions you have always been able to find in Edellyn Shorthorns. The lasting potency, the stability that improving blood can give are wrapped up in their pedigrees and in their hides.

Edellyn was the first

to own a bull

capable of

siring BOTH

International

grand champions-

BEAUFORT BULLDOZER

site of the 1954

International grand champion

bull and female

Edellyn Claret Belle 3rd by Beaufort Bulldozer. Junior and grand champion female 1954 International. Bred and exhibited by Edellyn Farms.

Founding another new dynasty at Edellyn

BEAUFORT BULLDOZER

The Bulldozers continue to win! The sensational breeding career of this famous sire had its start in Scotland where seven of his first sons sold for an average of \$7,900. It continued in North America when his first two calves born on this continent won both grand championships at the International Livestock Show. As more of his calves are exhibited, the records grow. At the 1956 National Western Livestock Show in Denver two of his daughters won the grand and reserve grand championships and three of his sons won first prize in the junior bull calf class and second and third in the senior bull calf class. Yes, the records continue to pile up evidence of the outstanding potency of Beaufort Bulldozer as a sire of top prize winners.

Right—Fontana Clipper
2nd by Beaufort Bulldozer. Grand champion female. 1956 National Western Show at Denver. Bred and exhibited by Joseph Zuro.

Left—Edellyn, Dorothy

4th by Beaufort Bulldozer. Reserve grand champion female. 1956 National Western Show at Denver. Bred and exhibited by Edellyn Farms.

Nowhere can you find better individuals or greater assurance of dependability than at Edellyn

A recent picture of Ringwell Ladesstar by Beaufort Bulldozer. He was junior and grand champion bull at the 1954 International. Bred and exhibited by Ringwell Farms.

Ringwell Ladesstar by Beaufort Bulldozer. Junior and grand champion male 1954 International. Bred and exhibited by Ringwell Farms.

Edellyn Orange Blossom 92d

**Edellyn Orange
Blossom 92nd**

Her kind are seldom offered. She is a daughter of Beaufort Bulldozer and out of the great cow that produced Edellyn Royal Leader 149th, grand champion bull at the 1952 Wisconsin State Fair. This heifer won first prize at the 1955 Wisconsin State Fair and stood sixth in a class of 32 junior heifer calves at the 1955 International. She will be one of the tops of the year and most certainly will improve the herd of her new owner.

Edellyn Broadhooks 47th

Edellyn Broadhooks 47th

She might top the sale because she is certainly one of the best. Because this Broadhooks family is one of the greatest at Edellyn, we have held back the females for the past few years. This is the first female member of this family Edellyn has offered since 1953. A heifer out of the same dam sold that year to Maclyn Plantation in Georgia at \$2,000. She is a heifer we can strongly recommend for dependability.

Edellyn Augusta 57th

This daughter of the many times champion and sire of champions, Edellyn All Star Mercury, is out of the same dam as the top female in our 1955 sale that was purchased by David S. Graham of Ohio at \$2,300. Here is a heifer with a perfect head, a beautifully balanced body, and a pedigree that should instill confidence.

Edellyn Princess Royal 41st

Edellyn Princess Royal 41st

From the standpoint of the production record of her ancestors, this heifer might easily top the sale. Her dam is a direct daughter of Edellyn Royal Leader and her imported granddam was the dam of such famous sires as Edellyn Peerless Mercury and Edellyn Campeon Mercury. The dam also produced Edellyn Princess Royal 27th, champion at the American Royal and the International Shorthorn Show in Omaha in 1951. She sells bred to Beaufort Bulldozer and what a calf this should be!

Edellyn Loua Waterloo—We bought the dam of this heifer privately from Louada Farms at \$2,000 and this is the first heifer out of her that we have offered. She is very thick and deep with low flanks and plenty of quality. She will be mated to Balbithan Emperor.

Here are some of the heifers that will sell in the 1956 Edellyn Sale. Sweet, aren't they. Most of them are by Imp. Beaufort Bulldozer and are carrying calves to the service of Balbithan Emperor.

Almahurst Augusta 4th—A daughter of Beaufort Bulldozer that you are certain to like. We believe that these heifers carrying a blend of the blood of Beaufort Bulldozer, Edellyn Royal Leader and Calrossie Mercury will make excellent brood cows.

**Edellyn Doris 7th**

A grand heifer sired by Beaufort Bulldozer. Her dam, a direct daughter of Calrossie Mercury, has been one of the good producers at Edellyn. Her last heifer, pictured at the left, sold to Hawthorne Farms at \$2,900 in the 1952 Edellyn sale. This heifer is thick and plenty good. She will sell open.

Edellyn Doris 6th, shown above, is out of the same dam as Lot 33. She sold in the 1952 Edellyn Sale to Hawthorne Farms at \$2900.

Edellyn Germanica—Although this heifer is too young to sell to best advantage, we decided to offer her as a means of showing the quality of the calves sired by Edellyn Banker Mercury. This is the bull that topped our 1954 sale and later was awarded grand championship at the Illinois and Iowa State Fairs and the reserve grand championship at the American Royal. Although Edellyn Banker Mercury sold in 1954 to Raymond Stewart and sired a lot of good calves for him, we were fortunate to be able to repurchase him and he is now back in service at Edellyn. This calf is proof of his worth.

Edellyn Banker Mercury, one of the best bulls in Edellyn history. He was purchased in the 1954 sale by Raymond Stewart, Dover, Kentucky, who had the thrill of winning grand championships on him at the 1955 Illinois and Iowa State Fairs and the American. Recently we have repurchased Edellyn Banker Mercury and he is now back in active service at Edellyn Farms. He is the sire of Lots 35 and 36 in this sale.

Edellyn Averne

Her sire is pictured and described at the left. We paid \$5,000 to obtain her dam in the 1953 Leveldale sale and she is now one of the best cows at Edellyn. Most certainly it would be impossible to find a stronger A. J. Marshall pedigree. Although this heifer needs a little more time, she is level and true in her make-up and is certain to prove a great brood cow.

Out of a \$5,000 Daughter of Imp. Cruggleton Guthrie

Edellyn Orange Blossom 93d—This is the first calf to be offered from a great imported cow. Her sire, Edellyn Royal Leader 149th, has sired many good cattle including the top female at the 1956 Illinois State Sale that sold to Vaughn Moore, Lenox, Iowa, at \$1,400. Kirkton Envoy, sire of the dam sold at 2,000 gns. in the Perth sale and sired the 6,600 gns. Lawton Nelson. This heifer sells open.

Brown Forman Rosewood 66th

**Brown-Forman
Rosewood 66th**

An outstanding daughter of the twice International reserve champion Sni-A-Bar Randolph, out of a direct daughter of Edellyn Royal Leader. This heifer is in calf since Nov 13, 1955, to the 4,400 gns. Cruggleton Pirrett now in service in the R. E. Smith herd at Houston, Texas. Bull calves by Cruggleton Pirrett sold up to 3,000 gns. and five bulls sired by him averaged 1,263 gns. (\$3,789) at the 1955 Perth sale.

Spring Dorothea 2nd—A daughter of Westmere Metaphor, sire of the \$4,100 1953 International Congress champion female, Westmere Princess. Her dam, a member of the famous Lawton Dorothy family that produced Lawton Nelson, is also the mother of the Butland herd bull, Ballathie Heir. This heifer is in calf since Nov. 13, 1955, to Cruggleton Pirrett, the 4,400 gns. bull that is now in service in the R. E. Smith herd at Houston, Texas. Five of his bull calves sold for an average of \$3,789 in the 1955 Perth sale.

Duncrahill Brigadoon, famous imported sire at Massey-Harris Farms in Ontario. He is a son of Cruggleton Beantham. Lot 49 is one of his daughters.

Ben Nevis Princess Royal

A daughter of Duncrahill Brigadoon, pictured at the left, and out of a good imported cow. Her sire was reserve junior champion at Perth in 1952 and was purchased by Massey-Harris Farms for 3,000 gns. Her dam was one of the top females in the Gardhouse sale. This heifer is in calf since October 16, 1955, to Marellbar Lieutenant, a top son of the \$22,500 Cruggleton Purvis.

The Edellyn pattern is the pattern that careful breeders prefer to follow. Although the heifers shown above are by five different bulls, the pattern remains fixed. It is a "locked-in" pattern.

Visit Edellyn and Marellbar. Enjoy the hospitality of the owners, meet a lot of other fine Shorthorn breeders, and acquaint yourself with two of the finest Shorthorn herds in the world.

Monday, June 4—

31st Annual Edellyn Sale
Wilson, Illinois

Tuesday, June 5—

Marellbar Invitational Sale
Libertyville, Illinois

Why Edellyn Has Grown Stranger . . . Every Year For Twenty Years

For many years the Edellyn herd has been maintained at its present size. Thus, our problem of retaining females is not like many herds, that of growth, but is a matter of each year retaining fifteen to twenty outstanding females for replacement. This program has been followed for years. Because the Edellyn herd constantly improves, we find that a large number of our best producing females come from the replacement heifers put back into the herd in preceding years.

To give you an idea of the quality that goes back into the herd, we show you above five heifers that are in the 1955 replacement group. This picture was good enough to earn a place on the front cover of *The Shorthorn World*. The picture below shows ten heifers that were put back in 1953. Some of these have calves in this year's sale. With such a replacement program followed regularly, small wonder that a perfect pattern is "locked-in."

Breeders the world over gather for the Edellyn sale to draw from this breed fountainhead, the blood to improve Shorthorns everywhere.

IT'S FUN BEING AN EDELLYN CALF . . .

Above is the 1946 International reserve champion female, Edellyn Dorothy 21st by Edellyn Royal Leader with her 1954 heifer calf by Beaufort Bulldozer.

In the first place, you always have a good mother

A group of 1955 Beaufort Bulldozer and Cruggleton Guthrie calves.

**and along with a lot of blocky half brothers and
sisters you always get the best of care.**

Left to right, Thomas E. Wilson; his son, Edward Foss Wilson; his daughter Mrs. Harry Williams; a guest; and Harry Williams.

**We are proud of our
membership in the
Chicagoland
Shorthorn Club
and of the
principles for which
this organization stands**

Ringwell Orange Talisman, Supreme Champion 1953 International. Her sire was Edellyn Royal Leader 114th. Her dam, Beaufort Orange Talisman, is out of the cow that produced Beaufort Bulldozer. She was bred and exhibited by Ringwell Farms, member of the Chicagoland Shorthorn Club.
